

Price list SPITA ResQ-tape Industrial 2022

SPITA ResQ-tapes come in a wide range of different products. Some products are designed for general use, while some other products are specially designed for a designated application. Details can be found on our website, or requested by sending an e-mail to: sales@spita.eu.

ResQ-tape Industrial 50mm x 11m x 0,62mm (width x length x thickness)

This product is derived from the SPITA ResQ-tape Classic range (made from the same compound) but intended for more demanding industrial use. The tape is 25% thicker than standard and can be used on larger diameter hoses/pipes and electrical cables/connectors.

See for more specifications the SPITA ResQ-tape comparison list.
