

Price list SPITA ResQ-tape Putty 2022

SPITA ResQ-tape Putty is a silicone putty for use in cracks and voids in damaged pipes or hoses. The putty molds easily into small cracks or pinholes on pipes and rigid hoses. Excellent for sealing air and steam leaks in combination with SPITA ResQ-tape. The putty always needs to be overwrapped with SPITA ResQ-tape to keep it in place.

Details can be found on our website, or requested by sending an e-mail to: sales@spita.eu.

ResQ-tape Putty 25mm x 0,45m x 3,1mm (width x length x thickness)

WARNING: After using / touching the silicon putty it is recommended to wash your hands to remove small particles from the skin. You can use common hand soap.
